

XO-EP81 Sunflower In-Ear Type-C Digital Decoding Headphones

Sale Price: 1.0

PRODUCT ID: 09592

- **Connectivity:** USB-C connector (male), making them compatible with most modern smartphones, tablets, and laptops that have a Type-C port.
- **Audio Quality:** Equipped with Hi-Fi drivers to deliver rich stereo audio with deep bass and clear vocals.
- **Design:** Ergonomically designed for comfort and a secure fit. The cable is made of flexible silicone to ensure durability.
- **Controls:** Features inline multi-function controls for managing music playback (play/pause, skip tracks) and handling calls hands-free.
- **Microphone:** Includes a built-in microphone for calls.
- **Cable Length:** The cable measures 1.2 meters in length.
- **Noise Control:** Some sources mention Active Noise Cancellation (ANC), though this feature may vary by specific product variants.
- **Colors:** Available in black and white colors.
