

## Gamdias AURA GL240 All-in-One RGB Liquid CPU Cooler

Sale Price: 6800.0

PRODUCT ID: 02731

### — Key Features

|              |                                                                   |
|--------------|-------------------------------------------------------------------|
| Type         | Liquid cooler                                                     |
| Fan Speed    | 800 - 2000 RPM±10%                                                |
| Fan Airflow  | 66.7CFM                                                           |
| Noise        | 11-29 dBA                                                         |
| Air Pressure | 1.63 mmH2O                                                        |
| Connector    | PWM<br>Pump Connector: 3 Pin                                      |
| Material     | Tube: Teflon<br>Base Plate: Copper<br>Radiator: Aluminum          |
| Others       | Bearing: Hydraulic<br>Rated Voltage: 12 V (Fan)<br>TDP: 230W ±10% |

### Physical Specification

|           |                                                       |
|-----------|-------------------------------------------------------|
| Dimension | FAN: 120 x 120 x 25 mm<br>Radiator: 274 x 119 x 27 mm |
|-----------|-------------------------------------------------------|

### Supported Sockets

|       |                                                                           |
|-------|---------------------------------------------------------------------------|
| Intel | LGA2066 / 2011-v3 / 2011 / 1700 / 1200 / 1151 / 1150 / 1155 / 1156 / 1366 |
| AMD   | TR4 / AM4 / AM3+ / AM3 / AM2+ / AM2 / FM2+ / FM2 / FM1                    |

### Warranty Information

|          |         |
|----------|---------|
| Warranty | 05 year |
|----------|---------|
