

UGREEN CARRYING CASE FOR SWITCH

Sale Price: 910.0

PRODUCT ID: 06425

The UGREEN Carrying Case for Switch provides reliable protection and convenient portability for your Nintendo Switch console. Designed with shock-resistant EVA padding and a durable exterior fabric, the case helps safeguard your device from bumps, scratches, and everyday wear while traveling or in storage. The custom interior is shaped to securely hold the Switch unit, and easy-access zipper closure lets you quickly retrieve your console whenever needed. A comfortable handle makes it simple to carry the case on its own or inside a larger backpack. Lightweight yet sturdy, this carrying case keeps your Switch organized and protected whether you're heading out for gaming sessions or just storing it at home.
