

**PRODUCT ID: 05881**

| Model                  | TP-Link Deco BE25 BE5000 Dual-Band WiFi 7 Mesh Router (1-Pack)             |
|------------------------|----------------------------------------------------------------------------|
| Wi-Fi Standard         | IEEE 802.11a/b/g/n/ac/ax/be (WiFi 7)                                       |
| Frequency              | Dual-band (2.4GHz + 5GHz)                                                  |
| Wi-Fi Speed            | 2.4GHz: up to 1,376 Mbps, 5GHz: up to 4,324 Mbps (Total 5,000 Mbps BE5000) |
| Coverage               | Up to 2,900 sq. ft. (per unit)                                             |
| Ports                  | 2 × 2.5G Multi-Gig Ethernet ports                                          |
| Processor              | 1.7GHz Quad-Core CPU                                                       |
| Antenna                | High-gain internal antennas                                                |
| Mesh Technology        | AI-Driven Mesh for optimized performance                                   |
| Security               | WPA3, TP-Link HomeShield (Advanced Network Protection)                     |
| Management             | TP-Link Deco App (Remote control & setup)                                  |
| Backward Compatibility | Works with all Deco models & previous WiFi standards                       |
| Dimensions             | 110 × 110 × 114 mm (approx.)                                               |
| Power Supply           | 12V/2A                                                                     |
| Warranty               | 1 Year Warranty                                                            |
