

## Gigabyte G325E2TB NVMe 2TB M.2 Gen3 SSD

Regular Price: 18000.0

Sale Price: 17000.0

PRODUCT ID: 00116

| Category               | Details                                                         |
|------------------------|-----------------------------------------------------------------|
| Model                  | G325E2TB / Gen3 2500E                                           |
| Capacity               | 2 TB                                                            |
| Form Factor            | M.2 2280                                                        |
| Interface              | PCIe 3.0 x4, NVMe 1.3                                           |
| Sequential Read Speed  | Up to approx. 2,400 MB/s                                        |
| Sequential Write Speed | Up to approx. 2,000 MB/s                                        |
| Memory Type            | 3D NAND                                                         |
| Features               | HMB (Host Memory Buffer), TRIM & SMART & Over-Provision support |
| MTBF                   | ~1.5 million hours                                              |
| Operating Temp         | 0 °C to 70 °C                                                   |
| Storage Temp (non-op)  | -40 °C to 85 °C                                                 |
| Warranty               | 3 years (varies by market)                                      |
